Melbourne Synod 2026 – Theme Paper Release

The Synod theme papers are an important step in our journey of listening and discernment as we prepare for the Melbourne Synod. The papers aim to foster a spirit of hope and imagination—trusting that, as we walk together, God is calling us into a future marked by faithfulness, renewal, and deeper communion. The suggested reflection process is a 'Conversation in the Spirit' or a Spiritual Conversation. This method is based in prayer and allows people to come together to both speak and to listen. Different from a discussion, it is an attentive listening process that aims to discern where the Holy Spirit is leading us. At the conclusion of each theme paper, there are prompt questions for reflection.

Groups will be offered next week.
